
Voit tulostaa pelin kopiopaperille. Valitse joko pienet (3-5) tai isot (6-11) kuvat. Leikkaa ja liimaa kortit sitten paksulle pahville. Kontaktimuovilla tai laminaatilla saat korteista kestävämmät. Tee pelille pussi värikkäästä kankaasta tai koristele pieni pahvilaatikko Nooan arkin näköiseksi. Leikkaa myös alla oleva peliohje talteen ja säilytä yhdessä pelin kanssa.

Ikäsuositus: 3-8v.

Nooan arkki -muistipeli

Peliin kuuluu 36 korttia. Sekoita kortit ja aseta pöydälle kuvapuolet alaspäin. Pelaaja kääntää kaksi korttia, jos ne ovat parit, hän saa laittaa eläinparin Nooan arkkiin ja yrittää uudestaan, jos ei ole, vuoro siirtyy seuraavalle. Kun kaikki parit on löydetty, voidaan miettiä, miten eläimet ääntävät tai mitä ruokaa ne syövät Nooan arkissa.

Voit myös asettaa korteista toiset parit pöydälle kuvapuoli ylöspäin. Loput kortit ovat pakassa, josta pelaajat vuorollaan nostavat kortin ja etsivät sille parin pöydältä.
